BINTRAC

BinTrac[®]

Bin Weighing System

BinTrac installs easily and enables real-time feed bin monitoring.

From a single bin to a multi-site system with remote monitoring, BinTrac can be configured to meet your needs now and in the future.

BinTrac Features:

- Easy installation on existing and loaded bins using patented load cell bracket assembly
- Real-time bin inventory by weight
- 24-hour feed use for each of the past 4 days
- Feed delivery validation
- One-year warranty covers lightning damage to load cells – extended warranty available
- Requires no calibration

The basic BinTrac system consists of an indicator, summing box and four, six or eight load cell brackets.

BinTrac is a modular, expandable bin weighing system with data collection and remote monitoring capabilities.
