

LAYING NEST & ACCESSORIES

410B

Model 410BNP Nest Pads. Reduces labor compared with the use of shavings or other nest materials. Slotted for air circulation. Can be washed and disinfected. Cut to fit nest bottoms.

Model 215 Plastic Coated Egg Basket. Made of heavy wire securely welded at every joint. Continuous feet around base allow air flow under basket for fast cooling of eggs. Thick, plastic coating cushions eggs and reduces breakage...will not mark eggs. Will not deteriorate with detergents or extreme temperatures. Holds 15 dozen chicken eggs. Height 9" (22.9 cm), Diameter 14 1/2" (36.8 cm) Top; 10" (25.4 cm) Bottom. Weight 1.4 lbs. (.64 kg).

410BRO

Model 410BRO Roll Out Nest. Similar to our conventional 10 Hole Nest. Ten — 8"x11" openings but with poly front roll out bottoms. Eggs roll to a protected tray. Perches flip up to collect eggs.

398N

215

Model 398N5C, Model 398N9C and Model 398N11C Spiral Leg Bands. Made of top quality celluloid rod with a full half overlap. Resilient, springy, non-brittle. Three sizes - 5/16" (7.9 mm), 9/16" (14.3 mm), 11/16" (17.5 mm) (inside diameter). Five colors - blue, green, red, white and yellow. We also can provide other sizes ranging from 1/4" for baby chicks and quail to 1" for turkey toms and geese. Also available are double coil leg bands. Note: There may be minimum order quantities on non-stocked leg bands.
