Effective August 2017

TIGRE-ADS LIMITED PRODUCT WARRANTY

Tigre-ADS USA Inc. ("TIGRE-ADS") warrants only to Buyer that Products which have been directly manufactured by TIGRE-ADS shall be manufactured in accordance with any agreed upon specifications, and free from defects in material and workmanship under normal usage for a period of five (5) years from the date of delivery (the "Warranty Period"). This limited warranty shall not apply to Products purchased by TIGRE-ADS in part or in whole from a third party, including another supplier, which are subsequently sold by TIGRE-ADS to Buyer ("Third Party Products"). Third Party Products shall be sold to Buyer "AS IS" with no further warranties or representation of any kind, express or implied, including but not limited to warranties of merchantability or fitness for a particular purpose, or warranties arising from a course of dealing or usage of trade.

This limited warranty is void if: (a) the Product is not installed in good workmanlike manner consistent with normal industry standards or not installed in compliance with recommended practices, supplied instructions, applicable ASTM standards and in conformance with all applicable plumbing, fire and building code requirements; (b) the Product is not installed by a licensed contractor qualified to install the Product; (c) the Product is not installed or used in accordance with instructions published by TIGRE-ADS; (d) the Product is used in conditions other than those for which the Product was designed; (e) the Product is used with the products of other manufacturers that do not meet ASTM or other applicable standards; (f) the Product fails due to defects or deficiencies in the design, engineering or install of the piping system of which the Product is a part; (g) the Product was not properly subjected to, and did not pass, common testing methods (including pressure testing for potable water and drainage systems) immediately after the Product's installation and before the Product is put into service; (h) the Product has been the subject of modification, misuse, improper installation, improper maintenance or repairs, damage caused by the negligence of parties other than TIGRE-ADS; or (i) the Product was damaged by freezing, corrosion, degradation or other adverse water, atmospheric or other natural conditions or any other event beyond the control of TIGRE-ADS. TIGRE-ADS does not warrant any aspect of Product representation, installation, modifications or manufacturing carried out by parties other than TIGRE-ADS and Buyer hereby indemnifies TIGRE-ADS for any loss, cost of expense to which TIGRE-ADS may be exposed as a result of any such activities by Buyer or Buyer's customers. No statement, conduct or description by TIGRE-ADS or its representative, in addition to or beyond this limited warranty, shall constitute a warranty.

In the event any defect occurs which the Buyer believes is covered by this limited warranty, the Buyer shall notify TIGRE-ADS of any alleged defects within 48 hours of discovery of any alleged defect in writing as set forth in the Terms and Conditions available at TIGRE-ADS's website, www.tigreadsusa.com. TIGRE-ADS will instruct Buyer to return the Product(s) pursuant to said Terms and Conditions.

In the event that TIGRE-ADS determines at its sole discretion that said Product is defective in manufacture, TIGRE-ADS shall, at its sole discretion, issue a credit or ship a replacement free of charge. Buyer's remedy for breach of this warranty is limited to replacement of or credit for the defective Product. This limited warranty excludes any incidental, special or consequential damages, including without limitation, lost profits or the cost of repairing or replacing other property which is damaged, other costs resulting from labor charges, delays, vandalism, negligence, fouling caused by foreign material, chemical or any other circumstances over which TIGRE-ADS has no control. This warranty excludes all costs arising out of or related to routine maintenance, including the replacement of any parts required by such maintenance and the replacement of parts required by normal wear and tear. TIGRE-ADS reserves the right to modify, alter or improve its Product, or parts thereof, at any time without incurring an obligation to notify Buyer or modify, alter, improve or replace any Product, or parts thereof, previously sold. If, on any occasion, TIGRE-ADS waives any term or condition of this Limited Product Warranty, this waiver is not to be construed as a continuing waiver.

TO THE EXTENT PERMITTED BY APPLICABLE LAW, THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER STATUTORY, EXPRESS OR IMPLIED WARRANTIES INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE HEREBY DISCLAIMED.

Version: 12-3-2013

WARNING: Air pressure testing of installed PVC pressure fittings is expressly prohibited for reasons of safety, should failure occur. PVC fittings produced by Tigre-ADS USA Inc. are not intended for transporting or storing of compressed air or gasses. If these products are found to be used in these types of applications, the warranty will be automatically voided.

REPAIRING, STORAGE, AND HANDLING OF PVC FITTINGS

PVC SCHEDULE 40

Price List SCH400817

Effective August 2017

RECEIVING, STORAGE, AND HANDLING OF PVC FITTINGS **2012**

To prevent unnecessary customer service issues and returns, Tigre-ADS USA recommends that all our customers follow the guidelines below. The guidelines are from the Uni-Bell Handbook of PVC Pipe 4th edition 2001.

Receiving: Upon receipt of a PVC fitting shipment to the receiver's warehouse or to a jobsite, the contractor or purchaser should exercise established precautions.

Inspection: Each PVC fittings shipment should be inventoried and inspected upon arrival.

Tigre-ADS fittings are inspected and loaded at our plant using methods acceptable to the carrier.

It is the carrier's responsibility to deliver the shipment in good condition, and it is the responsibility of the receiver to insure there has been no loss or damage to the product.

Records should accompany each shipment and the load should be checked against these records. Any errors should be reported to the carrier immediately and proper notations made on the delivery receipt.

Storage: When stacking crated or packaged PVC fittings, ensure the way you stack does not put excessive pressure on the products and their packaging. Doing so may damage the product.

Fittings should not be stacked close to heat sources or hot objects such as heaters, boilers, steam lines, or engine exhaust, etc. Exposure to these types of heat sources for extended periods of time may cause the products to become deformed. Take caution to make sure the crates or packages are well ventilated as to not trap heat during warm weather or extreme heat conditions.

During extreme heat, side load pressure on larger fittings for extended periods of time may cause parts to deform.
