

THE BATTERY WHOLESALE DIFFERENCE

- Availability - 1000's of batteries in stock with same day shipping on in-stock orders placed before 3:00 PM CST.
- Technical Assistance - We can help you identify the right battery for any application.
- Savings – Let us rebuild your NiMH or NiCad battery packs saving you time and money.
- Trust – BatteryWholesale.com has been offering batteries to customers worldwide for over 15 years. Our quality and service is proven and we continue to provide only the highest level of customer support.

How to Place Your Order:

You may place a secure online order at www.batterywholesale.com 24 hours a day. Our sales staff is available Monday through Friday 8:00am to 5:00pm CST. Fax your order to us anytime (512) 863-0620 or email us: sales@batterywholesale.com

We **do not** require a minimum order and we welcome residential customers.

Payment Methods:

We accept major credit cards (MasterCard, Visa, American Express and Discover), government IMPAC cards, commercial and personal checks. Purchase orders are welcome from municipal, state, and federal governmental agencies. Our commercial customers are invited to open an account with us. We offer Net 30 day terms and flexible credit lines. Please contact our credit department or download the credit application from our website.

Shipping:

We use UPS as our primary shipping method. You may calculate your shipping costs two ways: add an item to your shopping cart in our secure online store, enter your shipping zip code, and preferred ship time. Your shipping charges will be calculated automatically. You may also contact a member of our sales staff. We will be happy to provide battery pricing and shipping costs.

US Postal Service delivery is available to certain areas. There is no package tracking available with USPS shipments, therefore, we cannot be responsible for lost packages.

We ship worldwide and can provide shipping costs associated with air, sea, and land transport. Contact a sales representative for more information.

Returns:

A Return Merchandise Authorization number must accompany all returns. Contact a sales representative to obtain an authorization number. Please review our Terms and Conditions located on our website.

IMPORTANT

Manufacturers change battery specifications without notice. Please inspect the batteries in your unit **before placing your order**. Should the incorrect battery be ordered, **you will be charged** for the return shipping and shipping costs to have the correct battery sent.

TERMINALS DEFINED

Abbreviation	Description	Image
F1	0.187 inch wide x 0.032 inch material thickness	
F2	0.250 inch wide x 0.032 inch material thickness	
ST	SPRING TYPE – Positive and negative terminals featuring fully collapsible (to 1mm) spring material	
NB	NUT AND BOLT – Lead alloy or tin plated brass terminal post with: 5mm diameter Nut & Bolt or 6mm diameter Nut & Bolt	
WL	WIRE LEADS – Insulated, stranded wire leads terminated with: Molex Housing, AMP housing, or "250" female FASTON connectors	
TS	TS – S-connector for toy batteries	
TH	TH – H-Connector for toy batteries	
BT	THREADED BUTTON TERMINAL – Threaded insertion terminal	

** Terminals may vary from brand to brand.
